

THE other day, we overheard a lady say:

"I'm not going to worry and puzzle over the gift problem this Christmas as I always have; I'm just going to buy half a dozen Conklin Pens and give them."

There's a mighty good suggestion that's full of "meat."

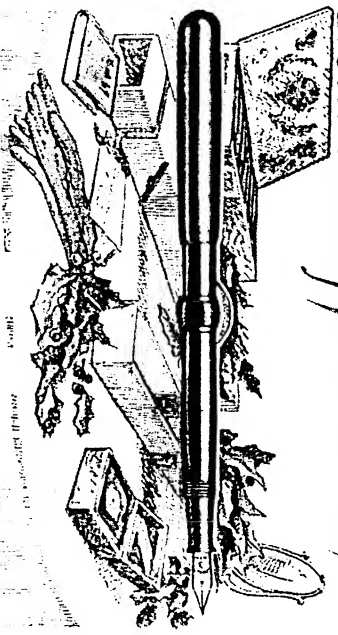

Conklin's
Self-Filling
Fountain Pen

makes a splendid Christmas present, in perfect taste, and doubly welcome because it's useful 365 days in the year. The Conklin fills and cleans itself in 4 seconds and writes with delightful smoothness. We carry a number of sizes and styles, and the one you select may be exchanged after Christmas if the point doesn't suit. Furnished in handsome Christmas boxes. Drop in and let us demonstrate the Conklin.
